Coyote Valley Task Force
c/o City of San Jose Planning Dept.
200 East Santa Clara Street
San Jose, CA 95113

Dear Members of Coyote Valley Task Force

The Federation of Retired Union Members support the proposal for affordable Housing in the Coyote Valley Plan that would require

a) That 20% of all housing be affordable to low income residents and that 30% of this housing be affordable to Extremely Low Income households, and

b) That no city money be used to subsidize any housing in Coyote Valley.

Sincerely,

Rufus Wesley

President
