

This message is to notify Task Force members of two items relating to the Coyote Valley Specific Plan (CVSP) that appear on the afternoon portion of the June 26, 2007 City Council Agenda. The staff report for each item is currently available on the City Council website under Part Two of the Early Distribution Packet for the June 26 meeting (see link below). The first memo starts on page 7 of the pdf document. They will also be linked to the Council agenda by tomorrow afternoon. The first item is the Funding Agreement between the City and the Coyote Housing Group authorizing the next increment of funding to continue the CVSP process. The second item is the memo for the initiation of the Envision San Jose 2040 General Plan Update. This memo contains a section addressing the implications of the General Plan Update on the CVSP process. Should you have any questions, please give me a call at 535-7876. Thanks, Stan Ketchum, Principal Planner
